3^o A 5^a apostila

Prof.^a Katia

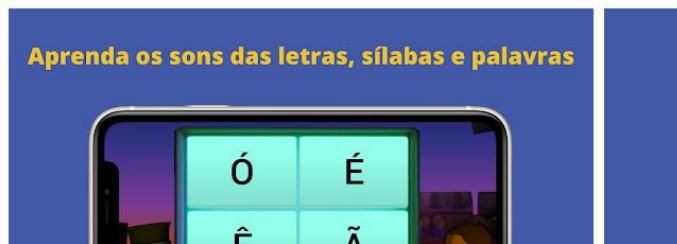

NOME: _____

11/05/2021 a 31/05/2021

Considerações aos pais ou responsáveis

Devido à necessidade de aprendizagem e ainda não conseguir fazer as atividades do 3º ano, essa apostila está adaptada para melhor atendê-lo, e juntos possamos alcançar novas aprendizagens.

Vou enviar o livro didático para tentarmos realizarmos as atividades propostas e ver quais atividades ele consegue realizar. Assim posso melhorar as próximas apostilas para sanar suas dúvidas.

Baixe o jogo e aprenda ler e escrever.

O **GraphoGame** ajuda as crianças que estão nos anos iniciais do ensino fundamental a aprender a ler e a soletrar suas primeiras letras, sílabas e palavras, com sons e instruções do português brasileiro. O jogo é especialmente eficaz para crianças que estão aprendendo as relações entre letras e sons. Tudo isso sem anúncios e totalmente offline!

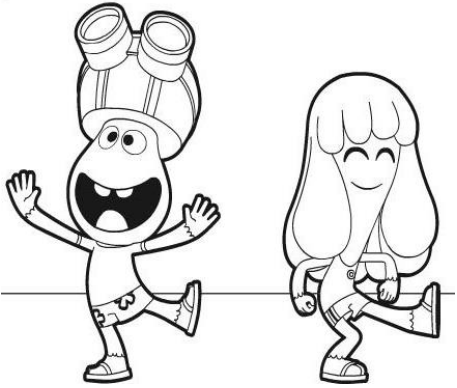

Mande prints da tela do jogo, para o meu número privado.

Jogue e divirta-se aprendendo!

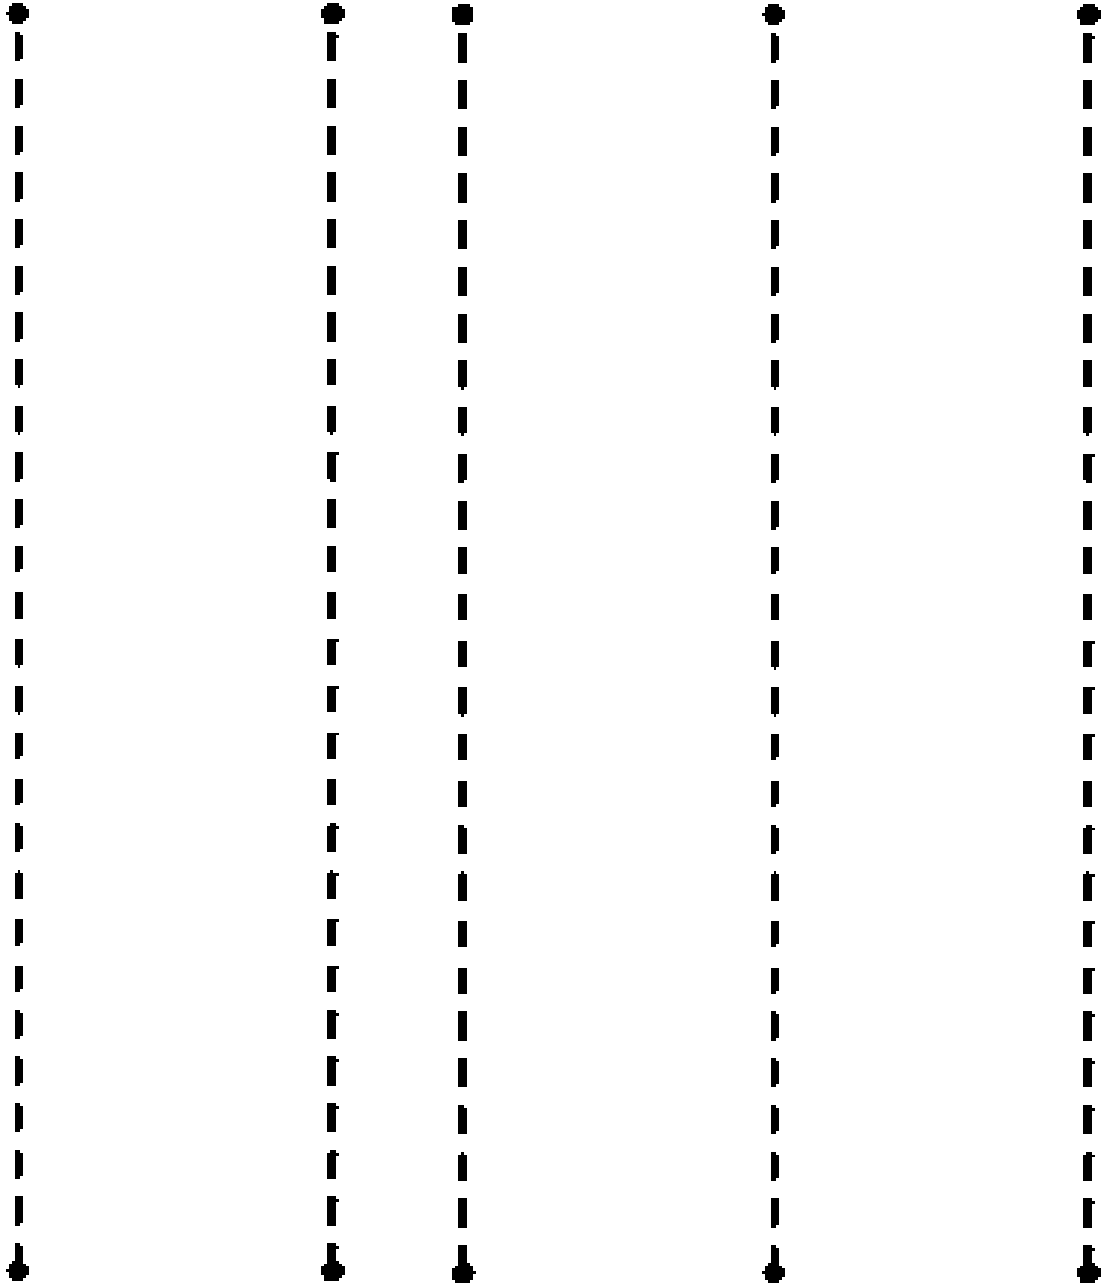

Beijo.

Professora: Katia M. Ribeiro
