Dia das Bruxas

O Dia das Bruxas (ou Halloween) é dia 31 de outubro. A sua tradição é bastante forte em países como Estados Unidos, Irlanda e Canadá, onde as crianças fantasiadas de forma assustadora batem de porta em porta a fim de ganhar doces.

Tradições: doce ou travessura?

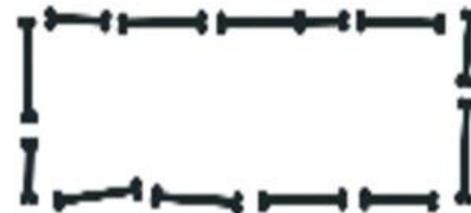

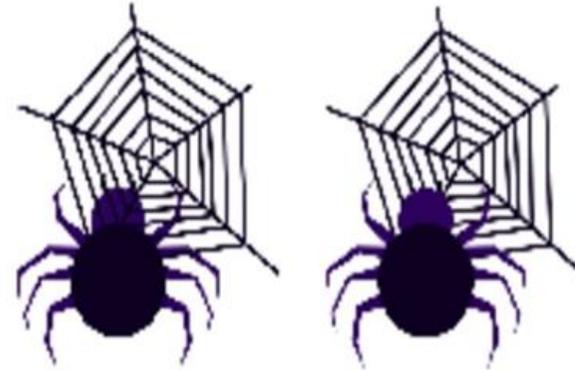

Dentre as atividades mais comuns encontra-se a prática norte-americana do "doce ou travessura" A brincadeira, que surgiu nos Estados Unidos, consiste em andar fantasiado pela vizinhança e bater de porta em porta dizendo a tal frase à espera de receber doces, caso contrário é feita uma travessura a quem

negar dar guloseimas.
